

CHANGE OF OWNERSHIP

In case of definite export, please use the Application for Export form instead.

This notice must be completely filled out and all information correct to authorize a transfer. If it becomes known that an individual named in the application is not the correct owner of the horse, or has incorrectly been registered as the owner of a horse, the Swedish Trotting Association may register the horse under the term "owner unknown" until the correct circumstances are investigated. To ensure that payouts are made to a new entity, this application must be received by the Swedish Trotting Association no later than the next to the last working day before the end of the month.
